Vorwort.

Die in den Heften 1—4 der 30. Wissenschaftlichen Veröffentlichung der Deutschen Orient-Gesellschaft herausgegebenen Keilschrifttexte aus Boghazköi sind von den Herren Drr. Figulla, Weidner und Forrer kopiert und autographiert worden.

Über den Anteil der Herren Figulla und Weidner an den Arbeiten für das 1. Heft gibt die diesem Heft vorausgeschickte „Vorbemerkung" genaue Aufschlüsse.

Die im 2. Heft veröffentlichten Texte sind von Herrn Dr. Figulla im Sommer 1914 in Konstantinopel von den Originalen kopiert und nach Kriegsausbruch in Berlin lediglich nach seinen Kopien autographiert worden. Für die Texte 1—9, 12, 13 und 15 standen ihm dabei wenigstens Photographien zur Kollation zur Verfügung.

Das 3. Heft ist wiederum von Herrn Dr. Figulla, das 4. Heft von Herrn Dr. Forrer bearbeitet worden. Die Texte dieser beiden Hefte sind (mit Ausnahme von III 5 u. 6) sämtlich nach den Originalen kopiert und autographiert worden.

Die Hefte 1 und 2 sind Ende 1916 ausgegeben worden. Von Heft 3 erschien die 1. Hälfte (Seite 1—40) Ende 1918. Die 2. Hälfte konnte erst jetzt, Ende 1923, zur Ausgabe gelangen; Heft 4 ist 1920 erschienen.

Mit den nunmehr vollständig vorliegenden Heften 1—6 der „Keilschrifttexte aus Boghazköi" (30. und 36. Wissenschaftliche Veröffentlichung der Deutschen Orient-Gesellschaft) ist diese Keilschriftausgabe der Boghazköi-Texte abgeschlossen. Weitere Hefte werden nicht erscheinen. An Stelle dieser Keilschriftausgabe ist als Unternehmen der Deutschen Orient-Gesellschaft die von Herrn Dr. Forrer besorgte Veröffentlichung „Die Boghazköi-Texte in Umschrift" getreten, von der außer der Einleitung: „Die Keilschrift von Boghazköi" (41. Wiss. Veröff. der D.O.-G., 1922) ein 1. Heft: „Geschichtliche Texte aus dem alten Chatti-Reich" (42. Wiss. Veröff. der D.O.-G., 1922) im Verlag der J. C. Hinrichs'schen Buchhandlung in Leipzig erschienen ist.

Die Keilschriftausgabe wird nunmehr als Unternehmen der Vorderasiatischen Abteilung der Staatlichen Museen in Berlin weitergeführt unter dem Titel „Keilschrifturkunden aus Boghazköi". Bisher sind erschienen die Hefte 1—7 und 9 mit Autographien von Ehelolf, Figulla, Walther, Weber und Weidner, die unmittelbar von der Vorderasiatischen Abteilung der Staatlichen Museen in Berlin C 2 bezogen werden.

Berlin, im Oktober 1923.

Vorbemerkung.

Die Deutsche Orient-Gesellschaft hat es unternommen, die Gesamtheit der aus Boghazköi stammenden Keilschrifttexte ohne Rücksicht auf ihren gegenwärtigen Aufbewahrungsort und ohne Rücksicht darauf, ob sie aus den von ihr unternommenen Grabungen stammen oder im Handel erworben worden sind, zu veröffentlichen, soweit sie im Original zugänglich sind.

Die Veröffentlichung geschieht in Autographien, die in Einzelheften von durchschnittlich 10 Bogen in zwangloser Folge erscheinen. Diesen autographierten Textheften werden Transkriptionen aller nichtsemitischen Texte beigelegt, die auch den Nichtassyriologen die Mitarbeit ermöglichen sollen. Je etwa 5 Hefte werden nachträglich zu einem Bande zusammengefaßt. Dem letzten Hefte jedes Bandes werden Inhaltsübersichten, Verzeichnisse der Museumsnummern u. dergl. für alle Texte des Bandes beigegeben. In besonderen Heften sollen die photographischen Nachbildungen der wichtigeren Texte veröffentlicht werden.

Eine Bearbeitung der Texte wird im Rahmen der von mir herausgegebenen „Boghazköi-Studien" im Verlage der J. C. Hinrichs'schen Buchhandlung erscheinen.

Das vorliegende erste Heft der „Keilschrifttexte aus Boghazköi" enthält die wichtigsten der bis jetzt bekannt gewordenen akkadisch (semitisch-babylonisch) abgefaßten Texte, zumeist Verträge und Briefe, und die Keilschrifttexte der von F. Delitzsch in den Abhandlungen der Berliner Akademie der Wissenschaften Jahrgg. 1914, Phil.-Hist. Klasse Nr. 3 bearbeiteten Vokabularfragmente.

Die Herstellung des ersten Heftes ist durch den Krieg sehr empfindlich gestört worden. Insonderheit war es bedauerlich, daß bei einzelnen Texten eine letzte Kollation an der Hand des Originals unmöglich war. Die Autographien sind von den Herren H. H. Figulla und E. F. Weidner hergestellt worden, und zwar hat

Herr Figulla die Nummern 1, 4—7, 10, 14 Rs., 15—23, 28, 29, 31 Rs., 33, 34, 50, 51, 54—59,

Herr Weidner die Nummern 2, 3, 8, 9, 11—13, 14 Vs., 24—27, 30, 31 Vs., 32, 35—49, 52 und 53

autographiert. An Stelle des im Sommer 1914 ausgeschiedenen Herrn Weidner hat Herr Figulla alle Autographien Weidners nach den Originalen kollationiert und, wo ihm nötig schien, berichtigt. Es trägt also auch für die endgültige Textgestalt der Weidner'schen Autographien nicht Herr Weidner, sondern Herr Figulla die wissenschaftliche Verantwortung. Durch ein bedauerliches Versehen der Autographendruckerei sind die Seiten 49—57 und 64, die von Herrn Weidner autographiert waren, mißglückt und mußten daher von Herrn Figulla, der die Weidner'schen Autogramme dabei benutzen konnte, nochmals autographiert werden.

Für die Autographien haben bei den Nummern 1, 4, 7 und 10 neben dem Original und Photographien von 4, 7 und 10 auch Kopien von der Hand Hugo Winckler's benutzt werden können.

Unmittelbar nach dem Original sind kopiert und autographiert die Texte 1—3, 5, 6, 8, 9, 11—59. Also nur bei den Texten 4, 7 und 10 waren wir nicht in der Lage, die Kopien und die Autographien direkt nach dem Original herzustellen. Diese Texte sind von Herrn Figulla nach vorzüglichen Photographien kopiert und mit den von Winckler seinerzeit nach den Originalen hergestellten Kopien verglichen worden.

Die Originale der in diesem Heft veröffentlichten Texte befinden sich zumeist im Besitz der Vorderasiatischen Abteilung der Königl. Museen in Berlin. Die Nummern 1, 4, 7 und 10 befinden sich im Kais. Ottomanischen Museum in Konstantinopel. Die Nummern 6 und 29 stammen aus dem Besitz von Frau Dr. Hahn in Berlin. Für die freundliche Überlassung der Texte zur Veröffentlichung in diesem Hefte sei den Besitzern auch an dieser Stelle der verbindlichste Dank ausgesprochen.

Berlin, Oktober 1916. Otto Weber.

Die in diesem Hefte veröffentlichten Texte stammen aus der Gruppe A der Keilschrifttexte von Boghazköi, vgl. Hrozný in MDOG Nr. 56, S. 21. Sie sind sämtlich von Herrn Dr. Figulla im Frühjahr und Sommer 1914 in Konstantinopel nach den Originalen kopiert und nach Kriegsausbruch in Berlin autographiert worden. Die wichtigsten Texte (Nr. 1—9, 12, 13 und 15) konnte Herr Dr. Figulla nach Photographien kollationieren.

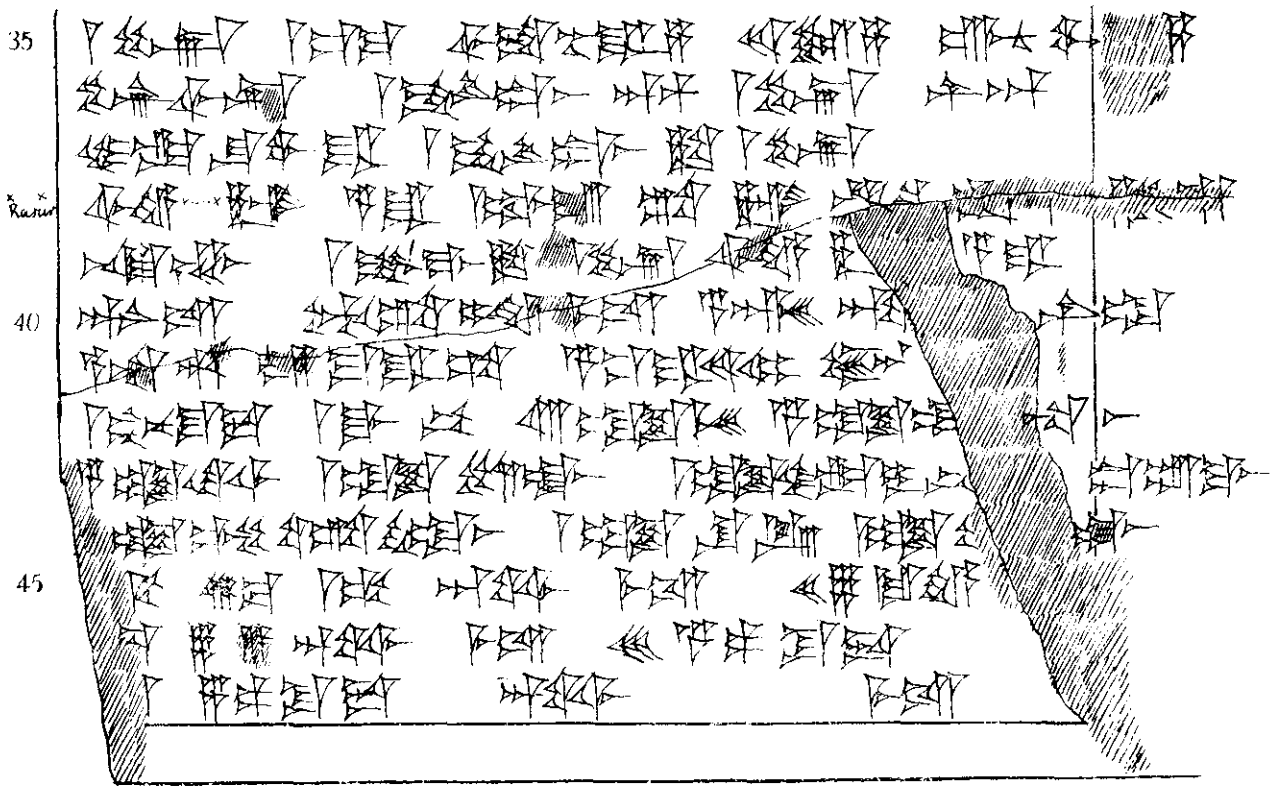

Da Herr Dr. Figulla zur Zeit dem Vaterlande mit der Waffe dient, die Herausgabe des Heftes aber nicht auf unbestimmte Zeit verschoben werden sollte, mußte von der ursprünglich geplanten Beigabe von Transkriptionen vorläufig abgesehen werden. Wir hoffen, sie bald nachliefern zu können.

Berlin, im Oktober 1916. Otto Weber.

Bemerkungen zu den Texten.

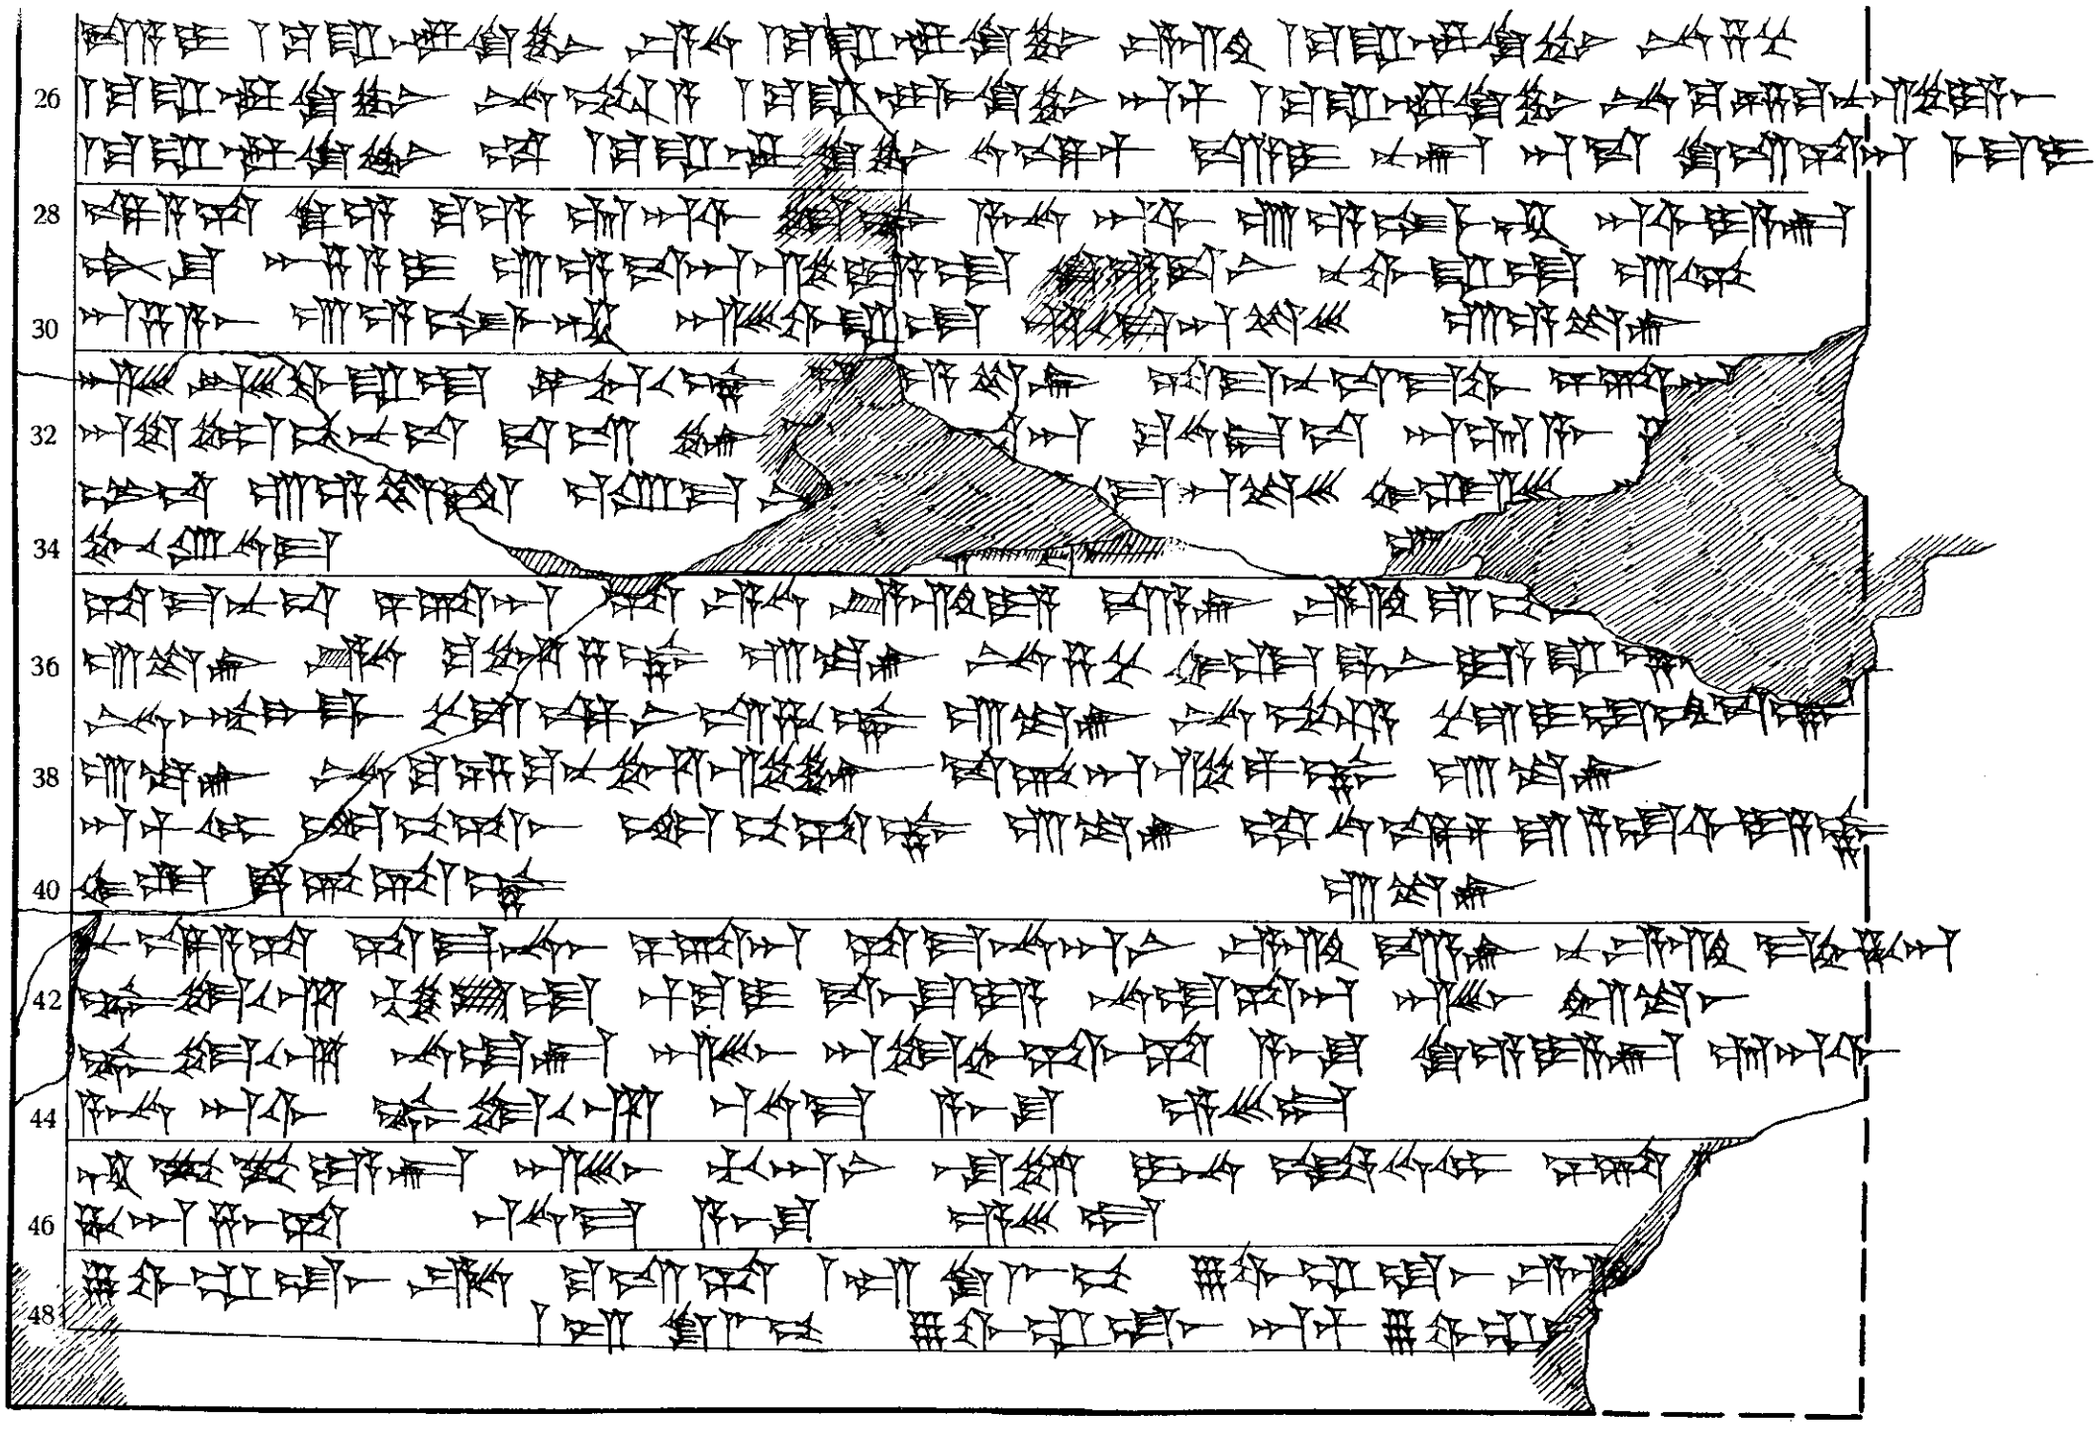

Da ich bei Niederschrift der Autographien noch nicht wußte, daß in den Boghazköi-Texten die Tafelrückseite durch einen Strich am oberen Rande markiert wird, sind die Kolumnen von Nr. 13 und 14 in umgekehrter Reihenfolge autographiert worden. Während der Korrektur konnten nur die Überschriften- leider nicht auch die Anordnung verbessert werden.
